

North Country Quilt Guild 2020 UFO Challenge

Every woman's dream.....rewards for age and size.

For each UFO (Un-Finished Objects) that gets shown off at the NCQG for Show N Tell during 2020 the quilter will receive tokens dependent on size of project and number of years it has been in the UFO pile. We trust everyone to give honest estimates of age. If the project is quilted and bound tokens are doubled. (This takes into account the extra time and of the quilting.)
