

To the quilters of the North Country
Quilters' Guild

Oct 5, 2021

Noreen and Ael -

Thank you so much for the beautiful blankets! The two character blankets went to Maternal/Child for our PEDI patients. These blankets will make them so happy in a scary place. The others went to our Out Patient treatment dept where the cancer patients can snuggle in and be warm. They were so appreciative. You are all clearly doing God's work! May you be blessed.

Chaplain Truckey Richards, North Country Hospital
