Dear Noreen and Guild Members,

From every corner of the hospital, I want to thank you for the extremely generous in-kind donations recently received at the bi-annual Quilt Show, as well as the additional six quilts presented to me this week.

I am holding one out to be auctioned at the 2022 9<sup>th</sup> Annual Moonlight Ball, now scheduled for next October 1<sup>st</sup> at Jay Peak Resort. The other quilts have been delivered for use in the Sleep Center, Outpatient Treatment Center, our Palliative Care program, Pediatrics and Maternal/Child.

As a previous sewer, I know firsthand the detailed hours of care, love and finances that go into your creations. To be honest it was difficult to pick a favorite quilt, as each and every one at the show was special and unique.

Thank you again for contributing your talent and your treasures!

Sincerely,

Wendy H. Franklin
